Classes held at:

604 W. Eugenia Street
Tallahassee, FL 32310

Fiscal Builders

Living Stone offers the following services to assist you with homeownership:

- Financial Literacy: skill building for budgeting and savings
- Business Literacy: career goal setting and entrepreneurial training

Let us lend you a working hand for home ownership.

- Maintenance Literacy: longevity on how to maintain and sustain homeownership

These classes are offered free to low and moderate income individuals and couples who are seeking affordable housing for themselves and their families.

Classes

Budgeting

Plan your work and work your plan.
