

He that believes on me the works that I do shall he do also; and greater. . . John 14:12

Dear **Friend,**

What!!! It's October already and time to pray about the wonderful accomplishments another month of financial obligations has brought to fund this Ministry. Serving on the mission field is truly a walk of faith. Since 2007, God has answered our prayers as Apostle Paul stated in Philippians 4:19. "And my God will meet all your needs according to his glorious riches in Christ Jesus." Serving on the mission field our livelihood and substance comes entirely from gifts sowed into Living Stones.

We thank God for touching many hearts from the beginning of our faith walk to now and those to come in the future. We know you believe in Josephine and me to care and support families, fathers, mothers, and children. As a monthly investor in Living Stones, you are reaching hundreds of individuals and improving their lives and we are building a foundation of trust with them. As faithful stewards, we understand that giving is a choice done so for the benefits and advantages it provides to others. Be a part of our monthly giving program to help families, and witness what true missions may do for those who cannot help themselves.

Our mission requires a monthly budget of \$3,000. This is a small price for these services:

- Our Ministry team of five (we're growing) on Sunday taught 170 men at Wakulla Correctional Institutional (CI) Annex. Forty men came forward seeking forgiveness and to stand together in unity.
- Living Stones teaches the curriculum Inside Out Dad to 114 inmates Monday, Tuesday and Thursday at Wakulla CI.
- Host Teen Dad classes every Tuesday at 5pm helping young dads understand their rights as fathers, encourage them to stay in school, and help with homework.
- Gary interacts with youth bi-monthly referred by the White Foundation for Project Payback. Project payback is a way for youth in the Juvenile system

to pay their restitutions for crimes.

- Gary drives to Liberty County to interact with youth for bi-monthly classes held at Bristol Youth Academy, discussing key issues with youth, some whom are dads.
- Living Stones presents a Christian Crusade called the "Transformers" at Wakulla CI main unit and annex on October 13th, 14th, 20th and 21st.
- Josephine and I are mentoring two couples with our curriculum "Marriage Really Works" and one engaged couple with Start Smart.
- LSI is now a member of the Service Network in Miami, FL taking children of incarcerated parents into the prison to visit with them. We are branching out here in North Florida.

Let me emphasize that Josephine and I do not take a salary. Note the word in 2 Corinthians 9:8, "And God is able to make all grace abound to you, so that always having all sufficiency in everything; you may have abundance for every good deed." We thank God for blessing our works and seek any amount that He places on your heart-no amount is too big or small. As fiscal managers, Living Stones is always responsible with what is given. We believe in being faithful stewards of your time, talents, and treasures.

Our Ministry is located across the street from Florida A&M University. During football season we allow cars to park on our property for a donation. A young lady drove up and said she only had a \$1.00 and asked if she could still park. I immediately told her yes, because God knows your heart. After parking her car, she gave me \$2.00 because she found change in the bottom of her purse. The parable of the woman with the mite came to mind. She gave all she had and was blessed. Allow God to use you in our ministry by being one who gives cheerfully and with fullness that God has supplied to you.

In everything we do, I showed you that by hard work we must help the weak, remembering always that it is the Lord's provisions; we are acting only as good stewards of all that he gives to us through you, our faithful partners.

Your Servant,
Pastor Gary
