“When God Shows Up”

Volume 1, Issue 10/11 November 2010

Watch God Work . . .

Hallelujah, we're going to St. Louis because of your efforts and prayers. As quoted from Charles Swindoll's book on “Moses”, he states an obvious fact—**“the best framework for the Lord God to do His most ideal work is when things are absolutely impossible and we feel totally unqualified to handle it.”** This has been the case with Living Stones Ministry. JC and I are vested in working with marriages, inmates/ex-offenders, and now with the Big Bend Fatherhood Initiative witnessing how God shows up when things appear bleak, yet always in time when we least expect it. We've seen where donors sent funds to meet our monthly obligations and look forward to more joining their ranks as well as businesses, federal and state funders.
