

LIVING STONES INTERNATIONAL

SEASON'S GREETINGS FROM LIVING STONES

All of us at Living Stones International (LSI) thank you for your business, loyalty, and support in 2017. See you again in 2018!

Greetings,

This Year has been filled with great successes and challenges. Our board and staff imagine what the year 2018 will bring us. With many of you, Living Stones has shared a unique camaraderie which we believe will continue in the years to come.

To your family from our LSI family, we wish you a New Year that brings forth new accomplishments for those that will benefit *your family* as it does ours.

Remember it's not too late for your ***Year-End Giving*** to Living Stones .
Sowing seeds into "*good ground yields a crop, some a hundredfold, some sixty, some thirty.*" *Matthew 13:8-9*

Sow today so the programs and services we provide children and families will produce even more positive results.

Blessings,

Pastor Gary & Elder Josephine (JC) Montgomery
